Subject: Squadron Executive Committee

Dear Squadron Member,

It is important that you be made aware of the fact that our Commander, Ed Sulis, has recently submitted his resignation. This decision was made after serious consideration and regrets but time had come to take a break from his CPS responsibilities: at the helm of our Squadron since the fall of 2002, as well as one of our cornerstone instructors. On everyone's behalf I would like to extend our appreciation and thanks to Ed for his dedication. Hopefully, his interest in training will remain.

You will recall from last February's BLUEWATER Newsletter that the Squadron needs a new Training Officer and Treasurer and to-date, we are grateful to Joseph Surette for stepping forward to offer his services. The bottom line is that the Squadron Executive Committee is now down to three persons and this is not sufficient.

This Squadron has been successfully serving the needs of recreational boaters since it was formed 30 years ago, in 1976. In order to function it needs another 3 or better, 4 persons. Your help and serious consideration is needed to make this happen and I know we can do it!

Please contact me as soon as possible if you are interested; my home phone number is (902) 531-2150 or send me an email at [Novossiltzeff@hotmail.com](mailto:Novossiltzeff@hotmail.com) as soon as possible before the end of the year. Remember, the purpose of all Squadrons across the country is to supply training, thus improving boating safety through education... Our Squadron is at a crossroad and must pull together in order to fulfill that commitment.

As one of our members, the Squadron is grateful that you continue to be a part of the Bluenose family and I extend to you my best wishes.

Sincerely,

Richard Novossiltzeff  
Squadron Secretary
